Interactive Services

We may from time to time provide interactive services on our site, including, without limitation live chat (**interactive services**).

Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical).

We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our Site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our Site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of the terms of this Acceptable Use Policy, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not fool proof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.

Breach of Acceptable Use Policy

We will determine, in our discretion, whether there has been a breach of this Acceptable Use Policy through your use of our Site and/or our services. When a breach of this policy has occurred, we may take such action as we deem appropriate.

Failure to comply with this Acceptable Use Policy constitutes a material breach of the terms on which you are permitted to use our Site and, where you are using our services, a material breach of the terms of your contract with us, and may result in our taking all or any of the following actions:

- Immediate, temporary or permanent withdrawal of the services and/or your right to use our Site.
- Immediate, temporary or permanent removal of any posting or material uploaded by you to our Site.
- Issue of a warning to you.
- Legal proceedings against you for reimbursement of all costs on an indemnity basis (including, but not limited to, reasonable administrative and legal costs) resulting from the breach.
- Further legal action against you.
- Disclosure of such information to law enforcement authorities as we reasonably feel is necessary.
- Termination of our contract with you.

We exclude liability for actions taken in response to breaches of this Acceptable Use Policy. The responses described in this policy are not limited, and we may take any other action we reasonably deem appropriate.
